### Work Offered

Urbanization has seen the rise of gated communities in India, particularly in cities like Gurgaon and Bangalore. Studies indicate that privatization of spaces is one of the major impacts of gated communities. The study will involve analyzing the gated communities of Gurgaon for privatization of spaces. The student will be involved in researching about all the developers in the locality and compile information regarding site areas, flats, population density, etc..

They will also be looking at to what degree the privatization of space creates a problem to the people just outside the gated community and solutions for the same. Following this an overall analysis and report covering all other aspects will be expected.
